

UNITED STATES JUDICIAL PANEL  
on  
MULTIDISTRICT LITIGATION

IN RE: XYREM (SODIUM OXYBATE)  
ANTITRUST LITIGATION

MDL No. 2966

(SEE ATTACHED SCHEDULE)

CONDITIONAL TRANSFER ORDER (CTO -1)

On December 16, 2020, the Panel transferred 1 civil action(s) to the United States District Court for the Northern District of California for coordinated or consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407. *See* F.Supp.3d (J.P.M.L. 2020). Since that time, no additional action(s) have been transferred to the Northern District of California. With the consent of that court, all such actions have been assigned to the Honorable Lucy H. Koh.

It appears that the action(s) on this conditional transfer order involve questions of fact that are common to the actions previously transferred to the Northern District of California and assigned to Judge Koh.

Pursuant to Rule 7.1 of the Rules of Procedure of the United States Judicial Panel on Multidistrict Litigation, the action(s) on the attached schedule are transferred under 28 U.S.C. § 1407 to the Northern District of California for the reasons stated in the order of December 16, 2020, and, with the consent of that court, assigned to the Honorable Lucy H. Koh.

This order does not become effective until it is filed in the Office of the Clerk of the United States District Court for the Northern District of California. The transmittal of this order to said Clerk shall be stayed 7 days from the entry thereof. If any party files a notice of opposition with the Clerk of the Panel within this 7-day period, the stay will be continued until further order of the Panel.

Inasmuch as no objection is  
pending at this time, the  
stay is lifted.

Dec 29, 2020
